This text has a margin of 40 pixels on all four sides. It is nested within a 'div' with a border to make it easier to see the effect of the margin.

The outer div has padding applied. This results in padding between the edge of the outer div and the edge of the inner div.

## My first styled page

Welcome to my styled page!

It lacks images, but at least it has style. And it has links, even if they don't go anywhere...

There should be more here, but I don't know what yet.
